

## Councilwoman Bonner Throws Out First Pitch for Inaugural Season of SWR Little League at New Fields

posted on 4/27/2009 8:45:21 AM

**BROOKHAVEN, NY** - Brookhaven Town Councilwoman Jane Bonner threw out the first pitch of the season last weekend during opening day ceremonies for the Shoreham-Wading River Little League. The ceremonies took place at the new home for the league - the newly completed fields on Defense Hill Road in Shoreham. Councilwoman Bonner was a strong advocate for the construction of the fields to provide recreation space and opportunities for the children and residents of the area. Pictured above are Councilwoman Bonner presenting a Certificate of Congratulations to Gary Frisina, President of the Shoreham-Wading River Little League, and his fellow board members with Brookhaven Parks Commissioner Ed Morris (photo 1); and Councilwoman Bonner throwing out the first pitch of the season (photo 2).
